

INDOOR TRACK EVENTS ATTRACT LOCAL ATHLETES

TREASURY JUMPS

FIRST COLUMN DEPARTMENTAL

Navy Yard and Interior Bowlers Tie for Second Place.

During the past fortnight's bowling in the Departmental League, three teams have shifted places, Treasury making the best sprint.

By trimming the Capitals for the three scheduled games, and also three postponed games, together with two games from the Warriors, the Money Changers jumped into the first division, having made a gain of 111 points in percentage. The Bureau passed the Commissioners and is now in fourth place, the latter dropping to sixth.

Agriculture continues in the lead, but the Interior are going strong, and easily lead in total pins tumbled.

The records follow:

Team Standing.	Games.	Won.	Lost.	Pct.
Agriculture	36	28	8	.777
Navy Yard	36	25	11	.694
Interior	36	25	11	.694

"A Very Good Time Was Had" on the Sealed Bonnet Run

LOCAL ATHLETES

RALLY TO SUPPORT OF G. W. U. GAMES

Manager Fleming Announces Officials—High School Well Represented.

The announcement that the George Washington University Athletic Association is going to hold indoor games at Convention Hall on January 23, has stirred up tremendous interest in track and field athletics among the students and alumni of the Buff and Blue institution. Manager Fleming, of the track team, has an assistant in each of the seven departments of the university and a well-organized "promotional" campaign, which has been in full swing for two weeks, has had good results.

There have been a number of candidates for the George Washington track team in training since the 1st of December, but Captain Gill has issued a formal call for the men to report to him at Van Ness Park tomorrow afternoon. For another week the candidates will do only light, easy work, out of doors. It is likely that, following the example of Princeton, Cornell, and Harvard, the G. W. U. track management will build a board track in Van Ness Park for all the runners to use during the winter season, the candidates for field events using the Y. M. C. A. gymnasium. From the present outlook the downtown university will have this year the largest track squad in its history, with no less than half a hundred men trying for the different events.

Interest Aroused in Cross-Country.

That there will be nearly fifty entries for George Washington's New Year handicap cross-country run seems certain from the number of inquiries received by Manager Fleming. The Buff and Blue itself has a squad of fourteen men working hard to get into shape for the four-mile jaunt across the northwestern corner of the District. These are the men now training: Captain Gill, Wendroth, Holmes, Fleming, Falconer, Birney, Seiler, and Clagett, Brame, McFarland, Ball, and Calder. Pete Herring, of the Mt. Washington Athletic Club, the South Atlantic middle distance champion, is going to try his speed at the longer distance, and most of the long distance runners of the local high schools will toe the scratch, probably with liberal handicaps.

Manager Fleming last night announced the following list of officials for the cross-country run:

Referee, Dr. D. E. Wiber; starter, C. E. Heck; judges at the finish, Dr. W. D. Phillips, E. M. Wilson, and Dr. W. D. Phillips; timers, W. C. Thacher, C. E. Beckett, and W. L. Jose; clerk of the course, W. C. Stuart; scorer, W. P. E.

YOUNG RUNNERS

ENCOURAGED BY FEDERAL GAMES

Relay Events for Midgets, Novices, and Grade Schools.

That relay racing is one of the most popular events in school and college sports is evidenced by the number of inquiries in regard to the relays in the Federal indoor games. When arrangements are completed for all the races already asked for, it is expected, there will be more of these events contested, and more teams competing in Convention Hall, on the night of February 15, than have ever been seen in Washington.

Besides the races for school boys and novices, there will be at least three college and two club relays on the program.

Six relays have been definitely fixed and negotiations are pending for seven others, arrangements for which will be completed immediately after the Christmas holidays. These are the races now on the program: A midget championship for school boys, no boys to be taller than four feet six inches; a race for teams, composed entirely of school boys novices; grade school championship, open to all grade schools in the District; a championship for junior clubs of the District, with an age limit of sixteen years; a match race between the Episcopal High School, of Alexandria, and the Woodberry Forest School, of Orange, Va., to decide the scholastic championship of the Old Dominion; and a race for the Sunday school championship of the District, also with an age limit of sixteen years.

The distance for all these events, except that between the two Virginia schools, will be 600 yards. The Sunday school championship and the novice event were added to the program last week. This is the third year that the Sunday schools of the District have had a chance to decide the relay champion in their own class, but never before in any indoor games has there been a relay race, in which every member of all the teams must be novices.

It has been put on the program especially for the encouragement of the school boys who are not quite fast enough to make places on the big teams.

New 1,000-Yard Event.
In addition to these relays, a 1,000-yard handicap run has been added to the Federal games program. There are a number of middle distance runners in the South Atlantic district who have never before had a chance to show their speed in any event except the quarter and half mile runs, but for whom the mile is too long, and a number of mile runners not quite fast enough for the shorter distances, for whom the new distances will be a common meeting ground.

That the Baltimore schools are going to make a desperate effort to wrest the championship laurels and the Pennsylvania Alumni trophy from Central High School is certain. In a letter received yesterday from Manager A. C. Levering of the Baltimore City College, he said his school is much stronger than usual in track athletics this year, and will send to the Federal Games the biggest and best team it has ever developed. "We will have men in every event in which points count," wrote Mr. Levering, "and we are out to beat the Central High School to the trophy."

The candidates for the Washington School for Boys team have been doing light work out of doors for two weeks under the direction of Trainer Fontaine. After the holidays they will begin hard work on an out of door board track at the school. The Washington School has challenged the Army and Navy Prep for both a senior and junior relay race to be run at the Federal Games, and it is understood that the Soldiers and Sailors will accept.

The design for the Pennsylvania Alumni trophy has been accepted by the committee appointed for that purpose, and the cup will be on exhibition down town just after the holidays. Entries for the Federal Games will close on February 7, with W. C. Stuart, manager, 74 Fourteenth street northwest.

TURNER AND PARKER
High Score Takers
In Whist Tourney

In the regular Saturday night whist tournament, held at the Washington Chess, Checkers, and Whist Club, Messrs. Turner and Parker turned in high score for the evening. Messrs. Lavender and Tallaferra were close second.
